ROCK SOLID ALL-STARS

2021-2022

About Us

Welcome to the 24th season of the **ROCK SOLID ALL-STARS (RS)** full season competitive cheerleading program! We appreciate your choice in selecting our program for your child. This is our mission statement: Our gym will offer your child a place to train to be the best all around cheerleader possible. Our goal is simple: to help athletes achieve their goal and have fun doing it. Our staff is here to strengthen and condition, teach proper motion technique, jumps, stunting and tumbling. Along with the physical side of cheerleading we hope to provide a solid foundation in basic training for life: teaching basic leadership skills, team building, encouragement, discipline and commitment. Joining the Rock Solid Allstars will offer your child the experience of a lifetime. We do not treat your child only as an athlete, but also as a member of our family.

Since being established in 1998, RS has received numerous National, State and Regional Titles from various cheerleading companies as well as ranking in the top ten at the Cheerleading Worlds, a Summit Championship and a Triple Crown Points Race Winner. Our gym is a part of the United States All-Star Federation (USASF) and all of our coaching staff are career professional members as well. Our current staff has well over 100 years of cheerleading and tumbling experience and with this expertise, we will develop the best squads possible for the 2021-2022 season.

As always, we appreciate the support of the parents and we hope that you, as a parent, can appreciate the hard work that the director and staff put forth to create the best possible teams in the area. The best interest of the program is the first and foremost priority of **Rock Solid Allstars** director and staff. Our job is to put the best routine on the floor but most importantly, we are here to teach and instill lifelong lessons in your child. The value of teamwork, sportsmanship, commitment, work ethic and dedication are just a few of the accomplishments that have been seen in hundreds of athletes that have developed through our program. We have sent numerous cheerleaders to attend top universities in Florida and other States, such as FSU, USF, UF, UCF, FAU, FIU, Florida Southern, Webber International University, University of Louisville, Navarro, Texas Tech, University of GA, NC State, Elon, Warner Southern, Gardner Webb, Duke, & Morehead University to name a few. At Rock Solid, building a solid foundation as an individual to succeed in life, is more valuable than learning the skill of a back handspring. As the years go by, we have been overwhelmed with the number of athletes that we have trained and sent out into the world to be remarkable citizens. Last season was one of our most successful based on scoring and wins. Even with the interruption in the beginning of the season our staff trained up our teams in time to compete with best of the best. We are confident to keep the growth going into the next season. As with any sport, the fundamental skills and lessons learned from being part of a team are invaluable while also learning lessons for "life". It is an exciting time to be involved in All Star Cheerleading! Leveling the playing field and aligning our sport to eventually be part of the US Olympic Games is where our industry is headed. With colleges now recognizing the sport of "Stunt" we are seeing more and more scholarships available. We've come a long way since the pleated skirts and pom poms.

As our gym family grows, it is important that we retain our veteran athletes as well as bringing in new athletes into our program. As we gain more athletes we are able to streamline our teams with "like skilled" athletes and hopefully "like minded parents and athletes". Parents are a huge part of our success and program. We value each of you for entrusting your kids to our program. We realize the learning curve for new parents is huge and we depend so much on veteran parents to show the newbies the ropes. We love that you love our program and see continued growth in both knowledge of our sport and also in the athleticism of your athlete. We have noticed an increased awareness, as the athlete grows to realize the requirements of a scoresheet which leads them closer to championships. Retention is key to our growth.

All of our existing members are guaranteed a spot on one of our teams. All new members will be assessed and placed accordingly. There are a few new divisions that the USASF has developed to help progress an athlete based on skill or economics. We will be assessing skills on the dates listed below for any advancement of athletes to a team offered at Rock. Please be aware of the level requirements and programs available. ALLSTAR ELITE CLUB (includes Mini, Youth, Junior, Senior and Open teams). We will also offer ALLSTAR PREP and ALLSTAR NOVICE. The placement of athletes for each of these programs is based on jumps, tosses, standing tumbling, running tumbling, stunting and motion technique. If you have any questions regarding age divisions (*new this season is a Dec. 31, 2021 date for eligibility with the exception of Novice – their date is June 30, 2021) level requirements, or programs you can visit www.usasf.net or contact our gym. Once your skill level has been determined by our coaches during the first and second day of evaluations you will receive an email notifying you of the team you have been placed on and particulars regarding practice days and times as well as choreography dates. This assessment is not the end-all on which team you are placed on. The makeup of a team is very important...i.e. flyers, back spots, main base, instep base, tumblers, etc. It isn't always age and it isn't always tumbling which defines your level. At the end of the day, we will put the teams together in the most effective way to benefit the entire gym following these guidelines. All Flyers will be evaluated based on age, then level. If we have 8 flyers for 5 positions with equal flying ability, we defer to tumbling skills next, then jumps and motions. If you would like to discuss your child individually before evaluations, please see Carrie or Carol for an early evaluation.

Thank you for your continued support and being an important team player. Feel free to share this information. Let's GROW TOGETHER! Or simply drive new members to our website www.rocksolidallstars.com

Our community has been through a lot over the last year and all of us are looking forward to resuming our normal routines. While many things have changed, one thing has remained the same: our commitment to your athlete's safety.

We are thrilled we have the opportunity to train your athlete.

Team Policies and Procedures

Take a moment to read and understand this packet, please fill out the agreements/med release pages after you have fully read and agreed to everything.

The following policy and procedures manual, serves as the official set of rules in which the Rock Solid Allstars was founded on and will operate by for the 2021-2022 season. These rules are strictly adhered to for the benefit of the team(s). The director reserves the right to amend these policies and procedures as deemed necessary during the season.

The RS teams will be trained in all elements of competitive cheerleading in accordance with the score sheet in which we compete including: stunts, pyramids, jumps, technique, expressions, dance and tumbling. The training is very disciplined, intense, highly productive and greatly enhances the skills of each cheerleader and the team as a whole. A set of key values must be followed in order to maintain control of this disciplined and productive process: Attendance, Attitude, Practice, Skill Requirements, Levels, Conduct and other policies listed below.

- 1. Attendance:** Excessive absences will not be tolerated. Members are required to be at every practice and on time. Attendance will be recorded, absences and tardiness will be reviewed and consequences will be set forth at the coaches' discretion. Consequences may include but are not limited to being benched from a competition or two, suspension or dismissal from the team. Excused absences will include death of a family member, severe illness, or special circumstances approved by the coach. Prior arrangements for absences are required to be made in writing or by phone *to your team coach or director*. Each team will be required to sign the athlete code of conduct. Please do not use missing practice as a punishment for your child, this not only punishes your child but every member of the team. Notify the coach at the first sign of any disciplinary problems or academic problems before they escalate!
- 2. Attitude:** Team members must display a positive attitude at all times. Negative responses, lack of productivity, disrespect, the degrading of teammates, coaches, or other organizations will not be tolerated. Consequences may include but are not limited to extra conditioning, suspension or dismissal from the team.
- 3. Practice & Dress Code:** Regular practice times are scheduled for each team. Additional practices are to be expected as follows: prior to a performance or competition or based on the team's need, for the betterment of the squad. These additional practices may be called at the discretion of the coach. All team members are required to come to all team practices prepared and with positive attitudes.

(The following schedule is a sample. Days and times may vary depending upon teams formed)

IOC	Level 5	Tuesday & Thursday	7:30-9:30 p.m.

We pride ourselves in the fact that we preserve family time, by not holding regular weekend practices. However, circumstances do occur that require extra practices.

Performance does not make perfection, practice does!

- RS practice uniform is required, this includes sports bra and bloomers (for all ages). Appropriately sized shorts and bra top!
- No jewelry at practice or at all during the competition day.
- Natural colored hair is mandatory on competition day. If you choose to have various colors (ie. pink blue red highlights then they must be returned to a natural hair color: blonde, brown or black color before competition day).
- No gum allowed
- Sport length finger-nails (at or just above the finger tip)
- Hair is to be pulled back with a hair tie rubber band. A scrunchie is not sufficient.
- Leave cell phones at home or turn your cell phones off.
- Leave your problems at the door.
- Smiles in place with attitudes ready to go!
- Parents are never allowed in the practice area, or on the floor. It is OK to sit in the parent room. There will be times that the coach will ask for an audience and that is the exception. There will also be times that the coach calls for "closed practices" – usually the week of a competition.
- Please don't baby your child during practice.

HOLIDAYS-NO PRACTICE: Memorial Day, Independence Day, Labor Day, Thanksgiving Day, Christmas Day, New Years Day. We will also have 3 Summer Breaks. One in June, July and the other in August. Please refer to the Important Gym Closure dates. All other "days off" are at the discretion of the coach.

4. **Minimum Skill Requirement Rule and Participation:**

- a) If at any time a team member cannot perform the minimum requirements required for his/her team, he/she will have **two weeks** to regain the minimum requirements. If this is not possible, he/she will be moved to another all-star team within RS to suit his/her abilities at the discretion of the coach and director. This pertains to stunting too.
- b) If a team member is removed, or becomes injured and unable to perform, he/she will be replaced by an alternate or appointed substitute, entry fees paid will be used for the substitute. All balances are still an obligation and must be paid.
- c) The injured teammate is welcomed to join their team at competition, but admission will not be covered in some cases, as the substitute will be on the roster.
- d) Please be advised that Rock Solid Allstars makes no guarantees regarding the level of competitiveness and/or participation and growth of the child. Every child progresses at their own rate.

5. **Competitions & Travel:**

- a) **All competitions are mandatory.** If you choose to miss a competition for any reason, the coach will replace your child at your expense. Depending on the competition schedule, the coach will use their discretion as to whether the competition before and after the one to be missed will be affected as well. So, if you miss one competition, keep in mind it *could mean you will consequently miss two or three.* The success of the team is of the utmost importance and minimal changes allow for that.
- b) All Cheerleaders and parents must be aware that competitions are team events. We will travel as a team and follow the RS itinerary. All codes of conduct, policies and procedures must be followed at all times. All squad members will remain with the team before, during, and after each competition until properly dismissed by the coaches after the awards ceremony. This includes overnight trips. The Directors and Coaches must approve special traveling circumstances.
- c) All Cheerleaders must arrive at the venue in complete uniform. This means hair must be up correctly, complete makeup on and uniform or other RS clothing your coach designates. Cheer shoes must be worn throughout the competition day, **no flip-flops or sandals allowed.** Only RS jackets/hoodies are to be worn at competition. Only RS backpacks carried.
- d) At all overnight hotel stays, all RS members will be given a curfew and rules. If the curfew or rules are broken, this will be grounds for immediate dismissal. All cheerleaders and their parents must assume all risk and liability for any injury, or accident that happens as a result of not obeying the curfew and rules.
- e) Under no circumstances are any males allowed in the female's room and vice versa without parental supervision.
- f) All RS Cheerleaders are expected to stay at the "team hotel" when a block is arranged. Changes at the last minute may affect the rate and might cost our gym extra contract attrition fees. Extenuating circumstances may be approved. **YOU MUST NOTIFY THE DIRECTOR BEFORE SEPTEMBER 1ST IF YOU WILL NOT BE STAYING AT THE TEAM HOTEL.** When "Stay to Play" rule is in effect, you may only stay in the team hotel. It is mandatory.
- g) All cheerleaders are the responsibility of *their parents.* Coaches and Staff will not chaperone cheerleaders. If a parent cannot attend a competition it is your responsibility to arrange for another parent to chaperone your child. All expenses incurred should be handled between parents and reciprocation is expected. If you cannot secure an appropriate chaperone, one will be assigned by RS and an additional fee for this service will be due prior to departure.
- h) It is very important that all of our teams support each other at competitions. The support of a team and crowd gives the team on the floor a huge advantage. Hearing the crowd chant "Rock Solid" allows the team to see and feel the support of their family in front of them. Please be a huge part of our ever-growing family and make every effort to be there for our TEAMS.

6. **Conduct of Cheerleader: An Agreement must be signed by all members**

- a. A team member must, at all times, be a strong representative of the RS program, even at the mall in RS jacket and on social media.
- b. Abusive, uncontrollable, or any other form of negative behavior, IN or OUT of uniform will NOT be tolerated. This includes: No public display of affection, no talking about anyone in or out of RS, no arguing or raising voice, no discussions of sexual relations, or any other derogatory behaviors not becoming of an RS member. All RS athletes must be a positive reflection of his/her teammates and gym.
- c. With the increase of popular social media networks, RS must be portrayed in a positive manner. Rude language, disgusting and/or revealing pictures, inappropriate or negative dialog, gossip etc. will NOT be tolerated. **DO NOT** represent our gym in a negative manner!! This is grounds for immediate dismissal from our program at the discretion of the gym director.
- d. Moral standards are of the utmost importance to this organization and will be regarded as high priority of all its members. We understand everyone has a different standard of living, just know our standard is high.
- e. Gossip is very harmful and destroys team unity.
- f. Bullying will NOT be tolerated. There will be consequences ranging from conditioning to dismissal. Be kind, compassionate and respectful at all times. An Anti-bullying contract will be signed at the first sign of offense.

7. **Code of Conduct for Parents:**

- a) Parental Support is essential at competitions, but can be distracting during practices. The Coach needs 100% of your child's focused attention. Parents must remain in the parent viewing room. **NEVER** should a parent talk about another athlete or their own in a negative manner. Gossip is very harmful and destroys team unity. Don't be surprised if a veteran parent puts you in your place for breaking this rule. All parental concerns should be addressed after practice or at a scheduled Parent/Coaches meeting. Although you may not agree with every decision that is made for each team, and you may feel you know a better method or system in which to accomplish something, the key is to remember that you must be willing to trust in the program or simply have a discussion with your coach or owner.
- b) A parent should **never** approach a coach on the practice floor during practice.
- c) A parent is not allowed in the warm up area at the venue.
- d) A parent should never act as an agent of RS to a competition company, hotel, judging panel etc., without the prior consent of the director.

- e) Parents should encourage their child to follow the cheerleader policies and procedures by setting a positive example and encourage submission to the authority of the coach. Do not undermine the coach's authority to your child.
- f) With the increase of popular social networks, RS must be portrayed in a positive manner. Rude language, disgusting and/or revealing pictures, inappropriate or negative dialog, gossip etc. will NOT be tolerated. DO NOT represent our gym in a negative manner!! This is grounds for immediate dismissal from our program at the discretion of the gym director. It is against the USASF rules for our staff to be "friends" with athletes on social media. Many of our adult staff's social media accounts are not private. Please monitor who your child follows.
- g) Parents should NEVER leave their child unattended in a hotel room or allow them to walk around unsupervised.
- h) Please keep in mind that this is a business and every new person that enters, deserves to have a great experience. Please do not be the one to give our business a bad name by talking negative or you will be asked to leave immediately.

8. Levels:

- a. All Cheerleaders will be placed on a team according to Level and Age. This will be determined at the discretion of the director and coaches. Levels are determined by the execution of stunts, pyramids, tumbling and tosses that an athlete is capable of safely executing at the time of team placements and then by age. Levels are numbered 1 to 7, increasing in difficulty. Despite what level a parent *thinks* their child should be, we take many factors into consideration when placing athletes on a team. Every athlete is on a team for a reason, as a parent, you must trust our staff.
- b. Birth Certificates are required before team placements. The age you are on or before December 31, 2021** will be your "competitive age" for that entire season. This is new this season**
- c. It is our goal to have all athletes at the highest point of each level on every team. (ex. If the top skill in running tumbling on a Level 3 team is a round off back handspring tuck, then we will be looking for everyone on the team to have a round off backhand spring tuck.) This goal will be applied for stunts, tosses, standing tumbling and running tumbling.
- d. In order to have the greatest advantage for making the squad of your choice, familiarize yourself with the requirements for each level. Level information is available at www.usasf.net

9. Injuries & Sickness:

- a. Parents need to note that cheerleading is a highly competitive and dangerous sport. Stunts and tumbling performed at all levels of cheerleading could lead to injuries. Injuries include but are not limited to: bruises, pulled and strained muscles, torn or strained ligaments, broken bones, dislocations, paralysis or even death. We, at Rock Solid Allstars take every precaution to limit these injuries. Unfortunately, we cannot prevent them all. It is your athlete's responsibility and to his/her advantage to be in top condition for this sport. This includes flexibility, strength and endurance. Some braces that impair your ability to practice are prohibited in this gym, ie. a neck brace. which inhibits your ability to look around and would be a danger in our gym environment.
- b. While we strive to provide the safest possible environment for our athletes. Rock Solid All-stars is not liable for any expenses rising from injuries or illnesses resulting from participation in our program. We strongly encourage every athlete to have their own insurance coverage to defray medical, dental and or other expenses.
- c. Every member is expected at practice however, if your child has a fever, please notify the gym and keep them home. If they are to miss more than one practice, we must have a doctor's note. Upon return we will need a doctor's note clearing them of any contagious illness.

10. Financial Other Policies and Information:

- a) Each athlete is required to become an Athlete Member of the USASF for \$30 per year (USASF.net), upload a birth certificate to your athlete usasf profile. This membership gives you eligibility for all USASF sanctioned events. Please see the USASF.net website for additional benefits of this membership.
- b) Each athlete's parent or guardian must complete and sign an RS medical release/waiver, a financial agreement and a policy and procedures agreements. Some type of medical insurance is needed in order to be a part of this organization.
- c) Reminder: Tuition payments are expected monthly unless credit is available in your RS account. Only accounts with credit balances can have their tuition deducted from their account. New this season****: ACH direct bank transfers will be set up electronically or a Credit Card Authorization on file for all monthly payments are required.** This will minimize our collection process.
- d) Please understand that this is a competitive sport, which involves other teammates. If at any time your account becomes past due, your child will not be able to participate in practice or competitions. This will affect the team and we rely on everyone to be in attendance and current on their account.
- e) All accounts must be in good standing before taking private lessons.
- f) All competition entry fees will be paid in accordance with the budget and early or on-time registration deadlines. For past due accounts, a late registration fee will be assessed for each entry fee payment deadline missed.
- g) All fees are non-refundable. In the event you quit, are injured, or removed for any reason during the season, this non-refundable rule applies. You must seriously consider this yearlong commitment, before joining this team.
- h) All members will be required to purchase their own uniform. The cost for this ranges from \$180-\$425 depending on the team. Swap meets will be arranged for those that are willing to sell their uniform as their child out grows it. A used uniform is NOT guaranteed. Prep teams will rent a RS uniform for \$100 per season.

- i) We expect all cheerleaders to maintain at least a 2.0 GPA.
- j) All members may be required to purchase additional team t-shirt, bow or nationals shirt during the season. At times parents get together to provide "goodie bags/gifts" for the team and a donation may be requested but not mandatory.
- k) All private lessons for tumbling, stunting, cheer tech etc., must be done at Rock Solid Allstars only. Any lesson done at another cheer gym will be grounds for immediate dismissal from our team. We provide the all around best staff and have the utmost confidence in our methods of progression.
- l) All RS apparel and goods are exclusively ordered and sold by our gym. Any and all of the Rock Solid Logo, team names or likeness is strictly forbidden!
- m) Please refer to the "Fundraiser Policy" for information regarding fundraising.
- n) No one is allowed to post music, videos of routines or stunts without prior consent of the owner.
- o) Never post negative comments about anyone on social networks such as Facebook, Twitter etc. Do not officially represent Rock Solid Allstars in any way.
- p) We currently use "Group.me" as a form of communication. This is designed to get valuable information to athletes and parents as quickly as possible and goes straight to your phone as a text message. Please do not use the method of communication to report injuries, absences or tardiness. Those messages need to go directly to the coach.

Competitions are typically during the weekend, therefore school absences are limited. Most of our competitions are in the state of Florida within driving distance. We will do an out of state competition which may require airfare (does not apply to prep teams). The competition schedule is usually finalized in August.
